Shubham Auddy
Associate Engineer
(Harman Connected Services Corporation India Pvt. Ltd.)

Supriya Santra
Software Engineer
(MSys Tech India Pvt. Ltd.)

OUR PROUD PLACEMENT PARTNERS

STUDENTS' SPEAK

Rishi Majumder (CSE, Final year)

No words are enough to convey how grateful I am to DIT for giving me such a wonderful platform to demonstrate my abilities and competencies. Before my final semester, I received placement at TCS and Mantra Labs Pvt. Ltd. You are guaranteed a placement at this college.

Kunal Sarkar (EE Final year)

DIT gave me the opportunity to be a part of an Industrial Training Project on Applied Artificial Intelligence and Machine Learning using Python. I received a patent for my invention, titled "Implementation of head and finger movement-based automatic wheel chair," while I was a student at DIT. My innovative thinking has always been encouraged by DIT. I learned how to pursue my dreams at DIT.

ABOUT DREAM INSTITUTE OF TECHNOLOGY

VISION:

- To be a prominent institution passionately developing competent technocrats capable of serving the nation and the world.

MISSION:

- To promote Inter-departmental collaborative projects & research and improve publications and Initiate Internal Revenue Generation activities through consultancy, continuing education programs etc. (Obtain at least 5 projects every year) involving students wherever possible.
- To provide state-of-the-art teaching-learning ambiance to promote student-centric learning using the latest ICT tools and start new programs at UG & PG levels in cutting edge technology.
- Continuous faculty development initiatives to update their knowledge and skills.
- Set up Incubation and innovation cells and encourage students to innovate and establish start-ups.
- Expand community outreach program through sharing of technical expertise with the aim to encourage experiential learning among students.
