WASIM MOLLA

Objective

Highly skilled and resourceful Civil Engineering area with excellent record of cost-effective project completion. Primary area of interest- Building Design & Drawing, Soil Testing , Building Construction.

Experience

Feb .2017 – current Dream Institute of Technology
Samali, Kolkata- 700104.
Assistant Professor of CE Dept.

Education

M.Tech in Structural Engineering at ALIAH UNIVERSITY.
Thesis: Damage Identification of Structure Using Static and Dynamic Data
B.Tech in Civil Engineering at ALIAH UNIVERSITY .

OTHER ACTIVITIES

- Enlisted as Geo Technical-II under Burdwan Municipality
- Enlisted as ESE, Geo Tech Engineering under Kolkata Municipal Corporation, Building Department.

Computers

Auto Cad, Staad Pro, Matlab, Revit Architecture, Primavera.

Technical Skills

Handle various types of civil engineering laboratory instruments.

List of Publications

Reliability Evaluation of linear transmission line tower structure for random wind loading under parameter uncertainty, Journal of Adv Research in Dynamical & Control Systems, Vol. 10, 13-Special Issue, 2018 .
