- B.E (Bachelor of Engineering), Department of Computer Science & Engineering, University Institute Of Technology (UIT), Burdwan University, 2013.

APPOINTMENT

- Assistant Professor, Department of Computer Science & Engineering, Dream Institute of Technology
Year: 2021-Present.
- Assistant Professor, Department of Computer Science & Engineering, Sanaka Educational Trust's Group of Institutions.
Year: 2021
- Visiting Professor, Department of Computer Science & Engineering, Camellia Institute of Engineering and Technology.
Year: 2015

TEACHING

More than Two years as an Assistant Professor.

GRANTS / EXTERNAL FUNDING

- **Assistantship under TEQIP-II**, Department of Computer Science & Engineering, University Institute of Technology (UIT)
Year: 2013-2015
- **Merit-cum-Means Scholarship**
Year: 2009-2013

COMPUTING SKILLS

MS WORD, MS EXCEL, Data Structure & Algorithm (DS), C Programming, Compiler Design, Python, Oracle SQL, Artificial Intelligence

OUTREACH

- 1) Certificate of webinar on Introduction to Big Data and its Applications, organized by Computer Society of India, Kolkata Chapter.
- 2) Certificate of Actively Participated for the “*Doctoral Symposium on Human Centered Computing (HUMAN 2023)*” Jointly Organized by Computer Society of India, Kolkata Chapter and Techno India University, West Bengal.
- 3) Certificate of Actively Participated in the National Network Security Championship Association for Computing Machinery-IIT Delhi on “*Networking, Creating networks, configuring CISCO Routers and Switches*”.
- 4) Certificate of Actively Participated in Summer Training on *ASP.NET* in the Industrial Training Centre affiliated to National Council for Vocational Training at NIVT.
- 5) Certificate of Actively Participated in Training on “*Advance Java (J2EE)*” at Aranya Consulting, Gurgaon.
- 6) Certificate of Actively Participated in the 5 day online FDP on “*Modern applications of Artificial Intelligence and Machine Learning in Hardware and Software*”, organized by the Program of artificial Intelligence and Machine Learning, department of CSE, Dr. B C Roy engineering college, Durgapur.
- 7) Certificate of actively participated in the 5 day online FDP on “*Artificial Intelligence and Block Chain Application for Food Agriculture Sector*” organized by AICTE Training and Learning (ATAL) Academy.
- 8) Certificate of actively participated in the 5 day online FDP on “*Machine Learning with Python*” organized by National Institute Of Technical Teachers’ training and research (NITTTR) Kolkata.
- 9) Certificate of actively participated one week short term training programme through ICT mode on “*Introduction to Python Programming*” organized by National Institute of Technical Teachers’ training and research (NITTTR) Kolkata.
