ABOUT THE INSTITUTE

Established in 2006, the Dream Institute of Technology, Kolkata, is a premier engineering college affiliated with MAKAUT and approved by AICTE. It offers accredited courses and committed towards holistic development of a student. It nurtures skilled professionals through dedicated faculty, modern facilities, and a focus on ethics. With advanced labs and resources, DIT ensures a vibrant learning experience, reflecting its commitment to excellence.

ABOUT THE DEPARTMENT

Since 2006, we've empowered aspiring electrical engineers through innovation and academic excellence. Our experienced faculty ensures a practical approach, preparing graduates for success. With cutting-edge labs and NBA accreditation, we shape future-ready professionals.

Outcome of the Workshop

On Successful completion of the Workshop, participants will be able to

- Comprehend the architecture, protocols, and components that constitute IoT systems.
- Apply engineering principles to address real-world challenges in IoT deployment
- Analyze complex IoT scenarios, identify challenges, and formulate effective solutions
- Integrate sensors, actuators, communication protocols, and data processing techniques to create functional and efficient IoT solutions.

Seize the opportunity to learn and grow at our limited-seat technical workshop. Secure your spot today with first-come, first-served registration!

Tentative Schedule
Day 1 : Inauguration, Theoretical Session-I
Day 2 : Theoretical Session-II, Hands on Session-I
Day 3 : Hands on Session-II & III, Valediction
